FROM THE OTHERSIDE
OF THE LENS

Name: Alysha Nett
Location: San Diego, CA
Website: www.alyshanett.com

Hi Alysha! Tell us what have you been up to since we last saw you: Well, let's see its been a few months now. I've moved from Los Angeles down to San Diego and its been great. Bouncing back from the holidays now.

How long have you been a photographer? I started working on my photography about 9 months ago. I've always had a camera in my hand since I can remember, but I had never tried to fine tune the craft and actually give it a real go until recently.

How would you describe your style? My style is soft and feminine but still sexy. My goal is for the women I photograph to feel pretty when they see the results.

What equipment do you use? I mainly shoot with an old Nikon 35mm from the 70's, but I also have a small Olympus point and shoot as well as a Fujifilm x100t.

**DO YOU HAVE ANY
ADVICE FOR ASPIRING
MODELS? DON'T BE
AFRAID TO EMAIL
PHOTOGRAPHERS TO
SEE IF THEY WANT TO
SHOOT!**

Model: Bridget Blonde

Have you had anything funny happen during a shoot? One time I was shooting Kelly Eden on a boat and all of a sudden 3 strangers walked on from the dock. Turns out they were the owners (it was an airbnb rental), but we were super shocked when it happened!

Who are your inspirations? I love Ellen von Unworth, Guy Bourdin, and my creative peers that I'm surrounded by

Who are your favourite models to work with? I love shooting my friends. There's a trust and lack of pressure that you can only get with those close to you

What are your thoughts on digital manipulation? I do what I can to make sure my model's feel great about themselves without changing who they are as people.

What do you enjoy most about photography? It's a good feeling to produce something that is nice to look at.

What's next for you? The world may never know... ;)

Rebecca Crow

Photographer: Tripodski

Hey Rebecca! How long have you been modelling? Hey! It'll be 6 years this year, my first ever shoot was when I was 17. Then at 18 I moved into glamour.

What was it like to work with Tripodski on this shoot? Amazing as always, all the sing-alongs and Greggs!

What was your favourite part of the shoot? Shooting the Malice harnesses. They're amazing!

What do you think of the awesome clothing from Malice and Lovechild Boudoir? I love them, they are without a doubt some of the best designers in the UK right now!

What's your favourite part of your body and why? Erm, I like my eyes. I use them to enslave people haha. I joke.

On a scale of one to ten, how good looking are you? Do you know who I am? Haha.

If you could model for any brand, product or company, which would it be and why? Jeez that's a hard question. Erm. I've achieved a lot of things that I want to, but maybe a car company. I'd like a free car please.

You're hosting an Elite sponsored jelly wrestling competition. Which four celebrity combatants will you book and why? YES. Cara Delevingne, Rihanna, Sasha Banks and me. I mean I have to put myself in there or I'd be missing out. And I think they'd all really go for it.

AND EAT HEALTHY WHEN I CAN BUT IT'S
SO HARD WHEN YOU TRAVEL AS MUCH
AS ME. DRINK LOTS OF WATER. DOES
WONDERS FOR YOUR SKIN AND BODY.

What's your favourite song currently? The Hills - The Weeknd

What would you like Elite readers to take away from your pictures in our illustrious mag? Buy Malice. She's a hard-working boss bitch!

What's a guaranteed turn on for you? Be a bad man.

Describe your perfect photoshoot. I want to be turned into a badass she-demon.

What do you like most about Elite? You guys are nice to everyone and don't bitch about or fight with about other companies. Share the love!

JACK RUSSELL

Hey Nancy! Welcome to Elite! We'll start with the burning existential question... What bra size are you? Hey! So I haven't been measured for about 84 years but they are a decent handful.

What was it like to work with Jack on this shoot? I thought it would be terrifying as it was my first ever professional shoot, but he is really chilled out and I learnt a lot. He's great at what he does

What was your favourite part of the shoot? All of it really, I also enjoyed the fact that his cat was called Jesus Phoenix.

What does it mean to you to join
the Elite family? I'm still shocked
I was asked to do it to be honest.
Never thought I'd end up doing
anything like this. It's a really
exciting thing to be a part of.

Photographer: Jack Russell

PHOTOGRAPHER: JACK RUSSELL

What's your favourite part of your body and why? I knocked my front teeth out when I was 6, so for years I had a shitty plastic tooth on a palette and every time some little berk at school gave me grief I would take it out and wiggle it to scare them. It was great. Now I don't have it anymore I'll probably say something boring like my legs.

What's your favourite item of clothing? I have looads. I like to make things, collecting patches, button badges etc.. I'll look for cheap shite in charity shops and on eBay and jazz it up with spray paint and stuff.

Photographer: Jack Russell

What happens. It's fun.

by some new underwear where would you go to get it? Oh so kind! To one of the 80s. Probably in one of the Hollywood Boulevard stripper superstores. I like the high leg, leopard print, Lycra, Frank Sinatra, Wendy O'Williams, not Mr Motivator.

Q Have you ever seen the film "The Hobbit: The Unexpected Journey"?
A Back? No. I hear Gandalf is a top lad though.

It was an animal, which would
judgie me at the moment
I don't know what I'm on
ask your dad.

What's a guaranteed turn on for you? Heavy fucking metal!

What's the weirdest location/prop you've had
 on a set? I once had a set out on a bath covered in
 old men, inside a derelict children's
 hospital for a major Uni project. There
 was a winding path on the grounds too that
 I had a car that ended up laying there
 with a sign reading it. It was like Stephen
 King's PC. I got out with titties.

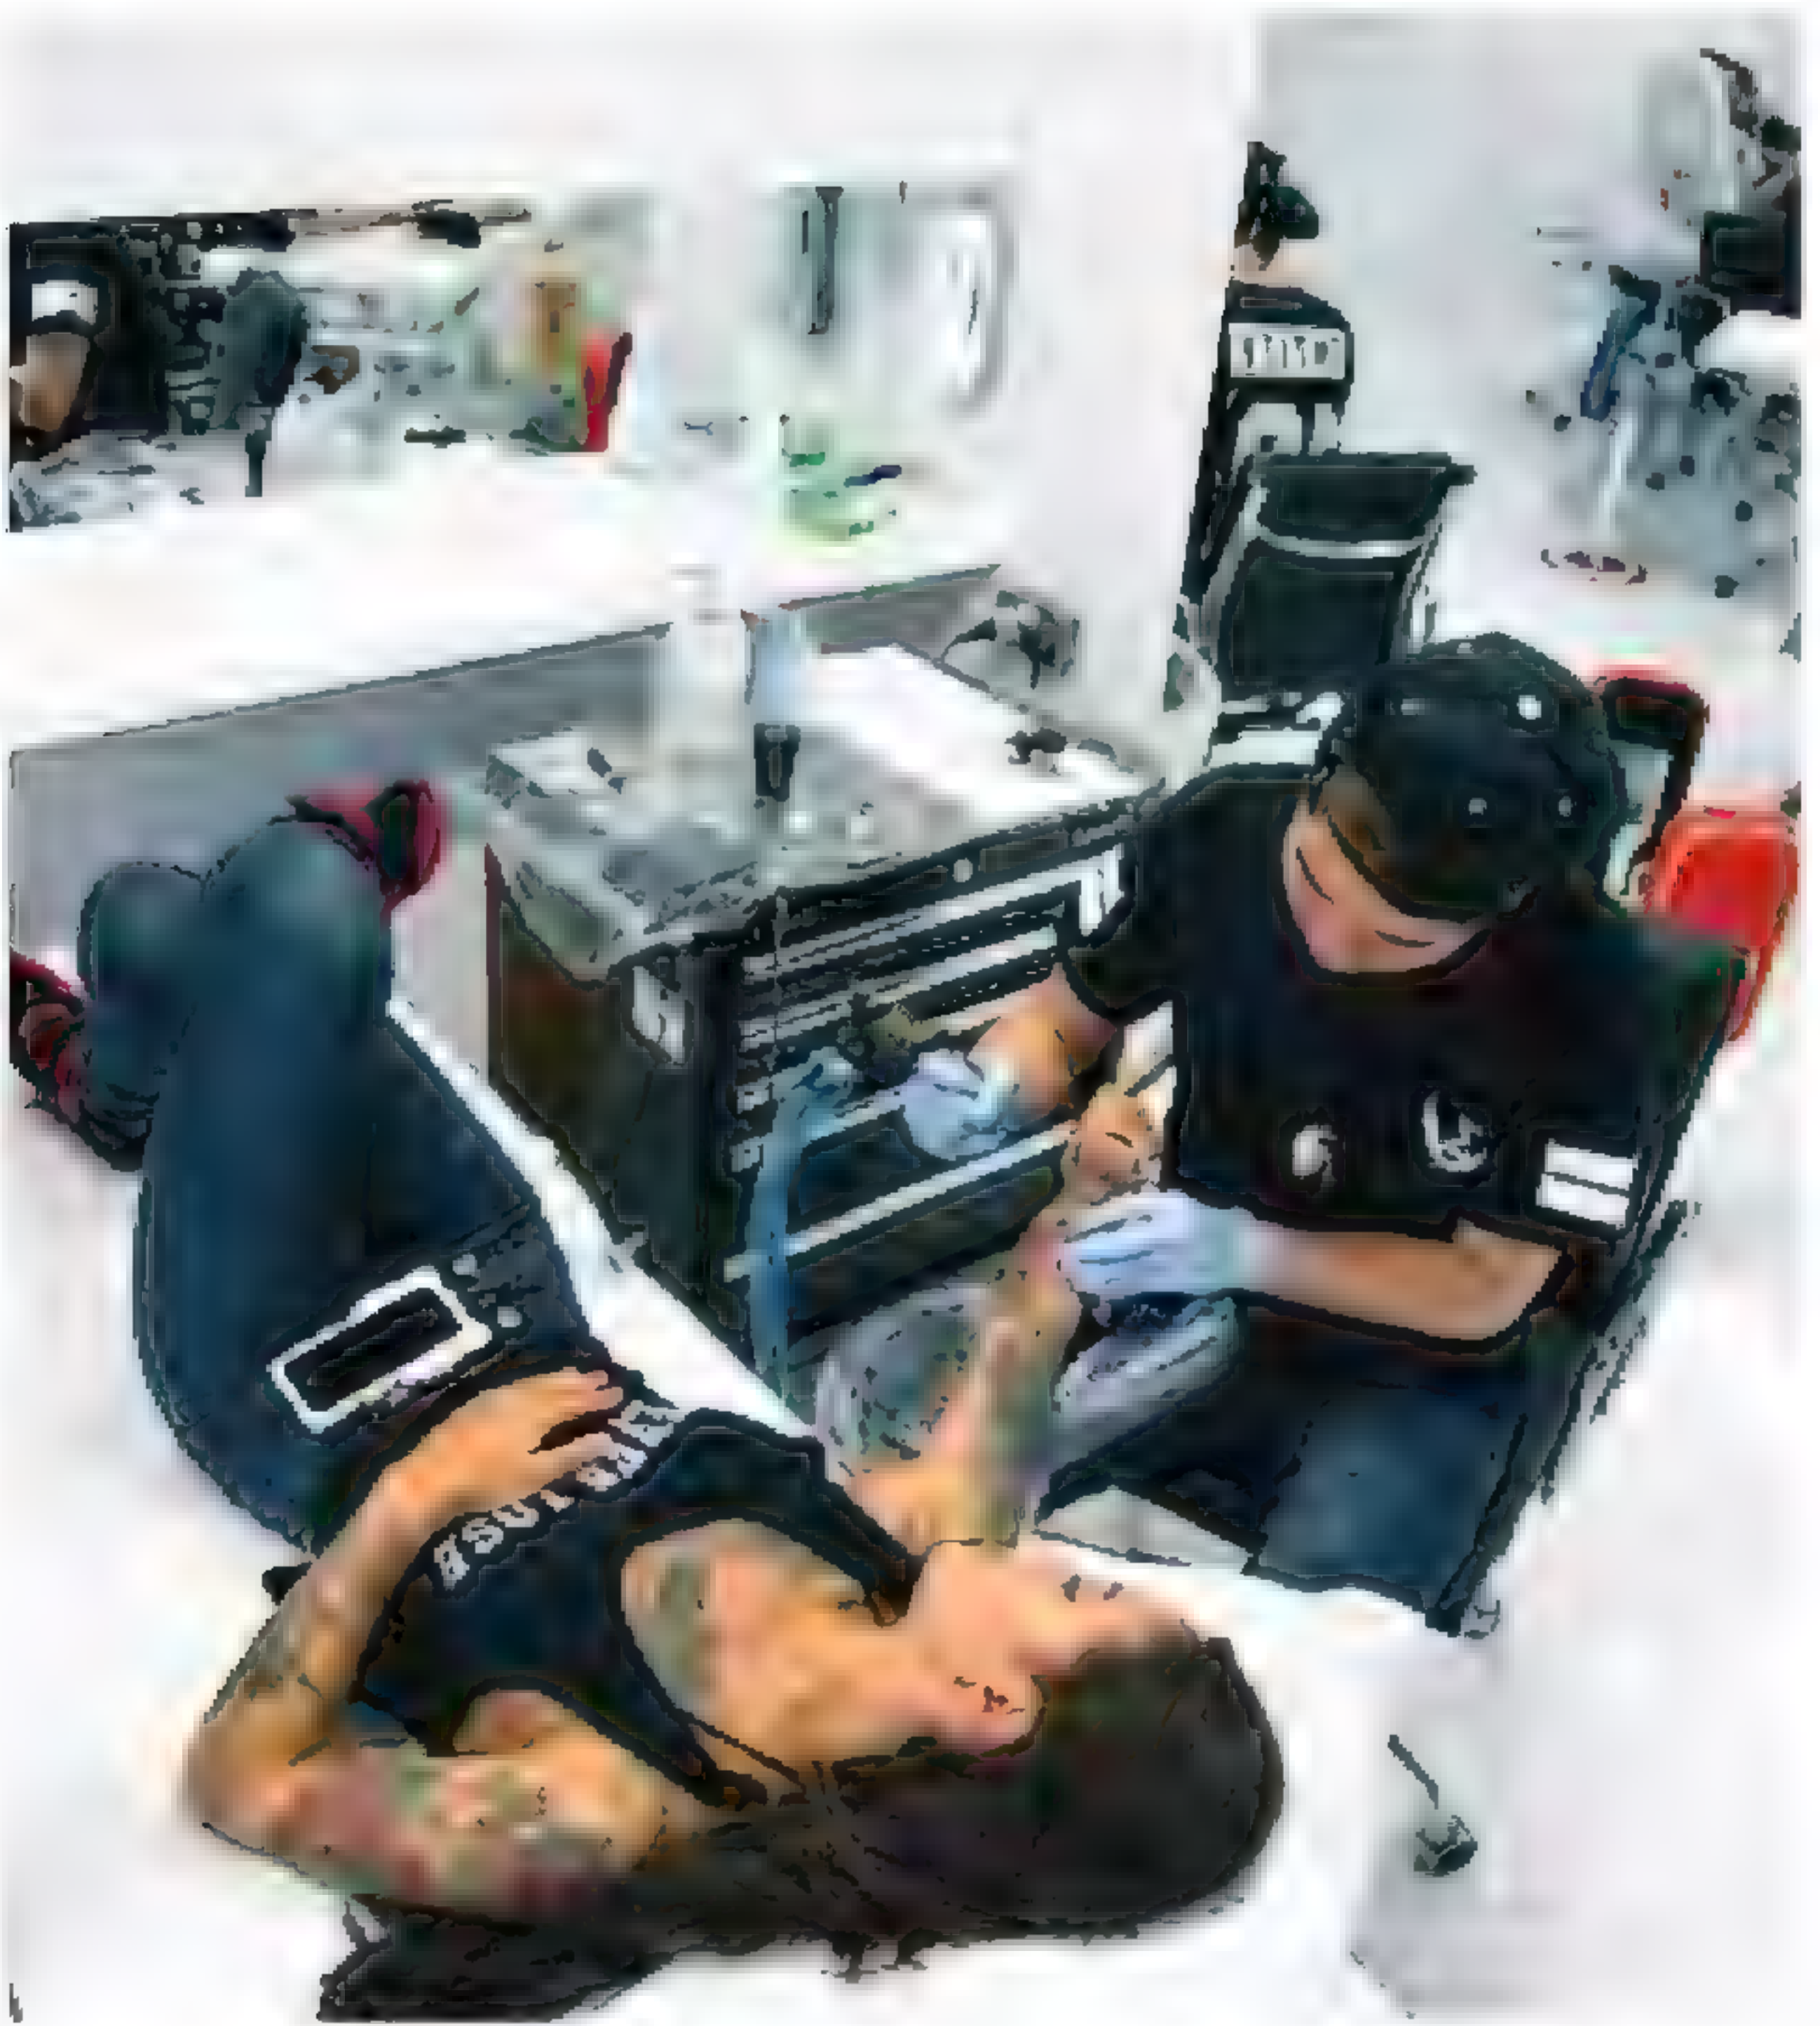

How do you stay in such modelly perfect shape? Diet? Good genes? Or luck? I'm in great shape right now, but I stay away from anything that helps loads of fat gain or overall health. Also, I like running and so I'm sure I'll get to where I wanna be fitness wise soon.

What do you like most about Elite? It stands out because it encourages individuality and there are many sexy ladies and many sumptuous boobies.

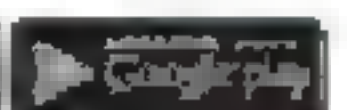

Finally, is there anything you would like to say to the Elite Readers? I hope you've enjoyed reading this issue and enjoyed the all the boobies. If you would like to follow me on Instagram and Twitter to see what I'm getting up to I am @b4byglass on both. Nancy No x

MISS ANNALIEZA

THE SUPER FIT, INKED GODDESS IS BACK!

Hey Annalieza! Welcome to Elite, tell us how long have you been modelling?

Hey Elite, I have been professionally modelling 2 years now and I love it... I really starting to get into it more over the last year

What was it like to work with Tripodski on this shoot? I've had the pleasure of shooting with him before and was a pleasure this time round too. Great photographer and makes you feel at ease

What was your favourite part of the shoot? The music haha, The team are very vocal which can be heard on most of my BTS videos on my Instagram - plus we went to the cat cafe afterwards yay!

What's your favourite part of your body and why? I like my lips now haha. I had them done not long ago by Florence Ray and it's changed my baby face into a more mature looking one which is what I wanted. Strange eh!

On a scale of one to ten, how good looking are you? Oh dear, I hate these questions, I don't think I'm 'great' looking, I mean I look ok but that's dependant on different people's standards I guess so maybe a 6 push 7?

If you could model for any brand, product or company, which would it be and why? As cliché as this sounds, Victoria's secrets, purely on the show they put on this year. It was so bright and colourful and sooooo much fun.

You're hosting an Elite sponsored jelly wrestling competition. Which four celebrity combatants will you book and why? Good question... Christy Mack haha, Becky Holt, Pamela Anderson (back in the day) and Eva Marie from WWE cause that will be one hell of a sexy party!

**MALICE LINGERIE/
HARNESS FROM £35.00**

What's a guaranteed turn on for you? Boobs. I like boobs. But boobs aside, passion is what is the biggest turn on... I find passionate people very attractive.

What's your favourite song currently? I am really addicted to a random song actually. It's from the Devils Rejects soundtrack. It's by Lynyrd Skynyrd called Free bird. Or Five finger death punch haha.

What would you like Elite readers to take away from your pictures in our illustrious mag? When life gives you lemons you take those lemons and make an alcoholic drink with it - don't let it be bitter x

Describe your perfect photoshoot. Mid morning no early starts haha, fun, laid back and lots of Elite singing haha

How do you stay in such modelly perfect shape? Exercise? Diet? Good genes? Or luck? I only recently started doing lots of fitness and clean eating - which is dull and hard work but has literally changed me in the last year or so. But diet is the key to all of it, exercise just helps a little

What do you like most about Elite? Plethora of beautiful ladies, most of which have tattoos which is a massive plus obviously haha.

Photographer: Tripodski

**MALICE LINGERIE/
HARNESS FROM £35.00**

Finally, is there anything you would like to say to the Elite Readers? Thank you for reading and hope you like my images. They were produced with love! If you ever see me out and about come say hi, love meeting followers and of course selfies xx

Photographer Tripodski

Hey Maxie! Welcome to Elite, tell us a bit about yourself: Hey guys! Recently you probably have seen me on Studio 66 TV, but you might also remember me from BabeStation, Masti Chat, Redlight TV Central and Playboy TV Chat daytime! I have been modelling for several years and was published in lads magazines such as Nuts, papers like Sunday Sport, and various sexy calendars I am tall, sporty, tattooed, and don't take no for an answer!

We'll start with the burning existential question... What bra size are you? More than a handful!

What was it like to work with Tripodski on this shoot? Honestly, it was fun and I loved having the opportunity to shoot what I wanted to shoot. Most of the looks shot were my idea: spilled milk, wet look, or even the set with guns. I love having an upper hand on photoshoots as I am very creative myself and know what works for me. I have a strong look hence contrasting colours and clashing outfits look best on me. Plus, the atmosphere was great! We were playing some 80's rock and roll which is totally up my street.

What's your favourite part of your body and why? I don't personally look at myself that way so it is always a tricky question. Men usually compliment on my eyes, body and lips. But I would probably say it is my dirty mind that I love the most about myself.

What does it mean to you to join the Elite family? I feel so privileged!

What's your favourite item of clothing? Anything that's from Nike – trainers, yoga pants, sports bras – I love stylish gym wear

Yes or no, have you ever seen the film "The Empire Strikes Back"? I need to disappoint you, but I am not a Star Wars girl.

If your love life was an animal, which would it be? Amoeba, because at the moment it's nearly non-existent

Lisa Hughes

Photographer: Creative Institute

Hey Lisa ! Welcome to Elite, tell us a bit about yourself:
Hi my names Lisa Hughes and I go by the social media band of @hughes ink and I am originally from Liverpool. I am a former international Playboy bunny and currently a makeup artist and model

We'll start with the burning existential question... What bra size are you? I'm a very flat A cup of course haha

What was it like to work with Glenn on this shoot?
Yes it was a fun shoot. We always have a good laugh when shooting and never take things too seriously

What was your favourite part of the shoot?
Getting my hair and makeup done ready to look fierce in my pics!

What's your favourite part of your body and why?
My eyes because they are bright blue and people always think I'm wearing contact lenses.

What's your favourite item of clothing? I love Versace I spend all my money there.

What does it mean to you to join the Elite family?
My so excited to become apart of the family thanks for having me.

How did you come to become a model? I've modelled from a young age and once I started getting tattooed the alternative modelling work just started rolling in.

Yes or no, have you ever seen the film "The Empire Strikes Back"? Nope... this might lose me some fans but I've never seen one Star Wars film. Perhaps I'll have a movie marathon day and watch them all.

Elite have HYPOTHETICALLY agreed to buy you some new underwear, where would you send us to get it? Silly question there's only one place to shop and that's Victoria secret .

If your love life was an animal, which would it be?
I haven't a clue what animals sex lives are like, I love rabbits though. I've always thought I was one in a past life.

What's a guaranteed turn on for you? I love men that can make me laugh. Personality is EVERYTHING.

What's the weirdest location/prop you've had on a shoot? I've done many outdoor shoots and even been shot in the sea in the middle of Winter. It was so cold I thought my tits were going to freeze off.

How do you stay in such modelly perfect shape?
Exercise? Diet? Good genes? Or luck? I love eating healthy, organic food only, I don't drink milk, I have meat free days and I drink fresh vegetable juices and I go to the gym.

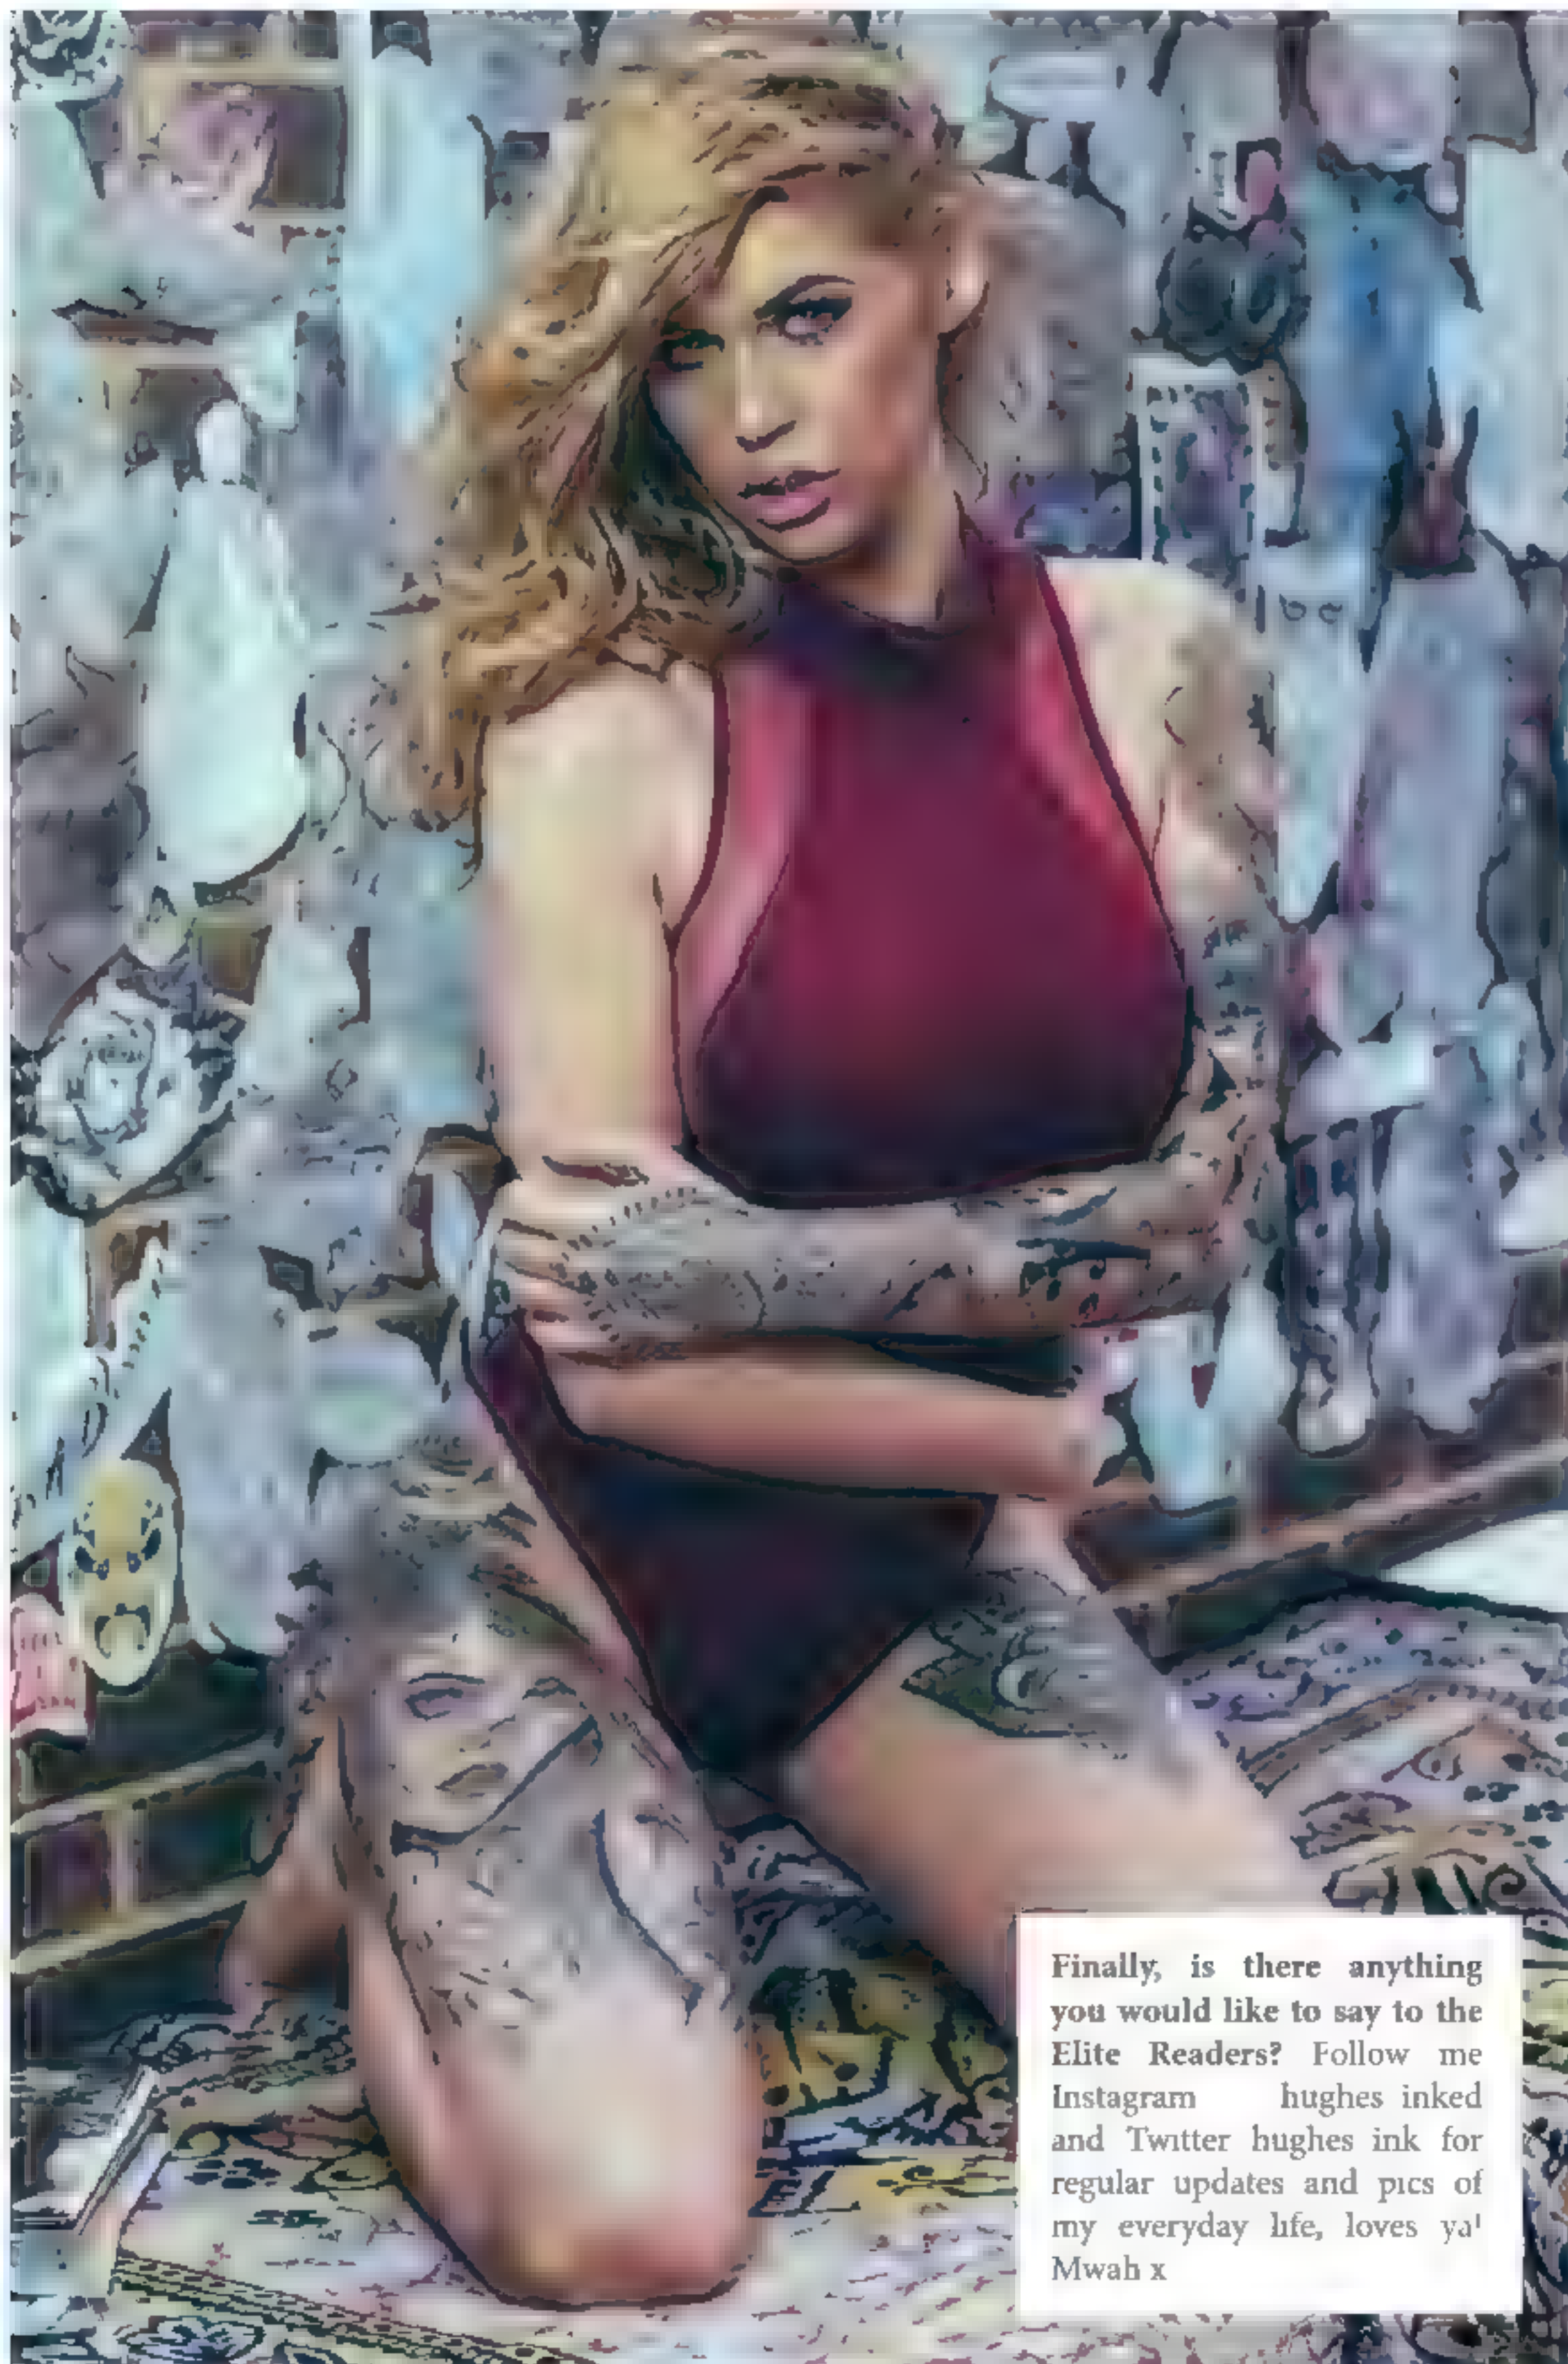

Photographer: Creative Instincts

What do you like most about Elite?
All the hot tattooed females of course.

Finally, is there anything you would like to say to the Elite Readers? Follow me Instagram [hughes inked](#) and Twitter [hughes ink](#) for regular updates and pics of my everyday life, loves ya! Mwah x

SIAN MARIE

is back and now hitting
our cover for the very first
time... you're welcome!

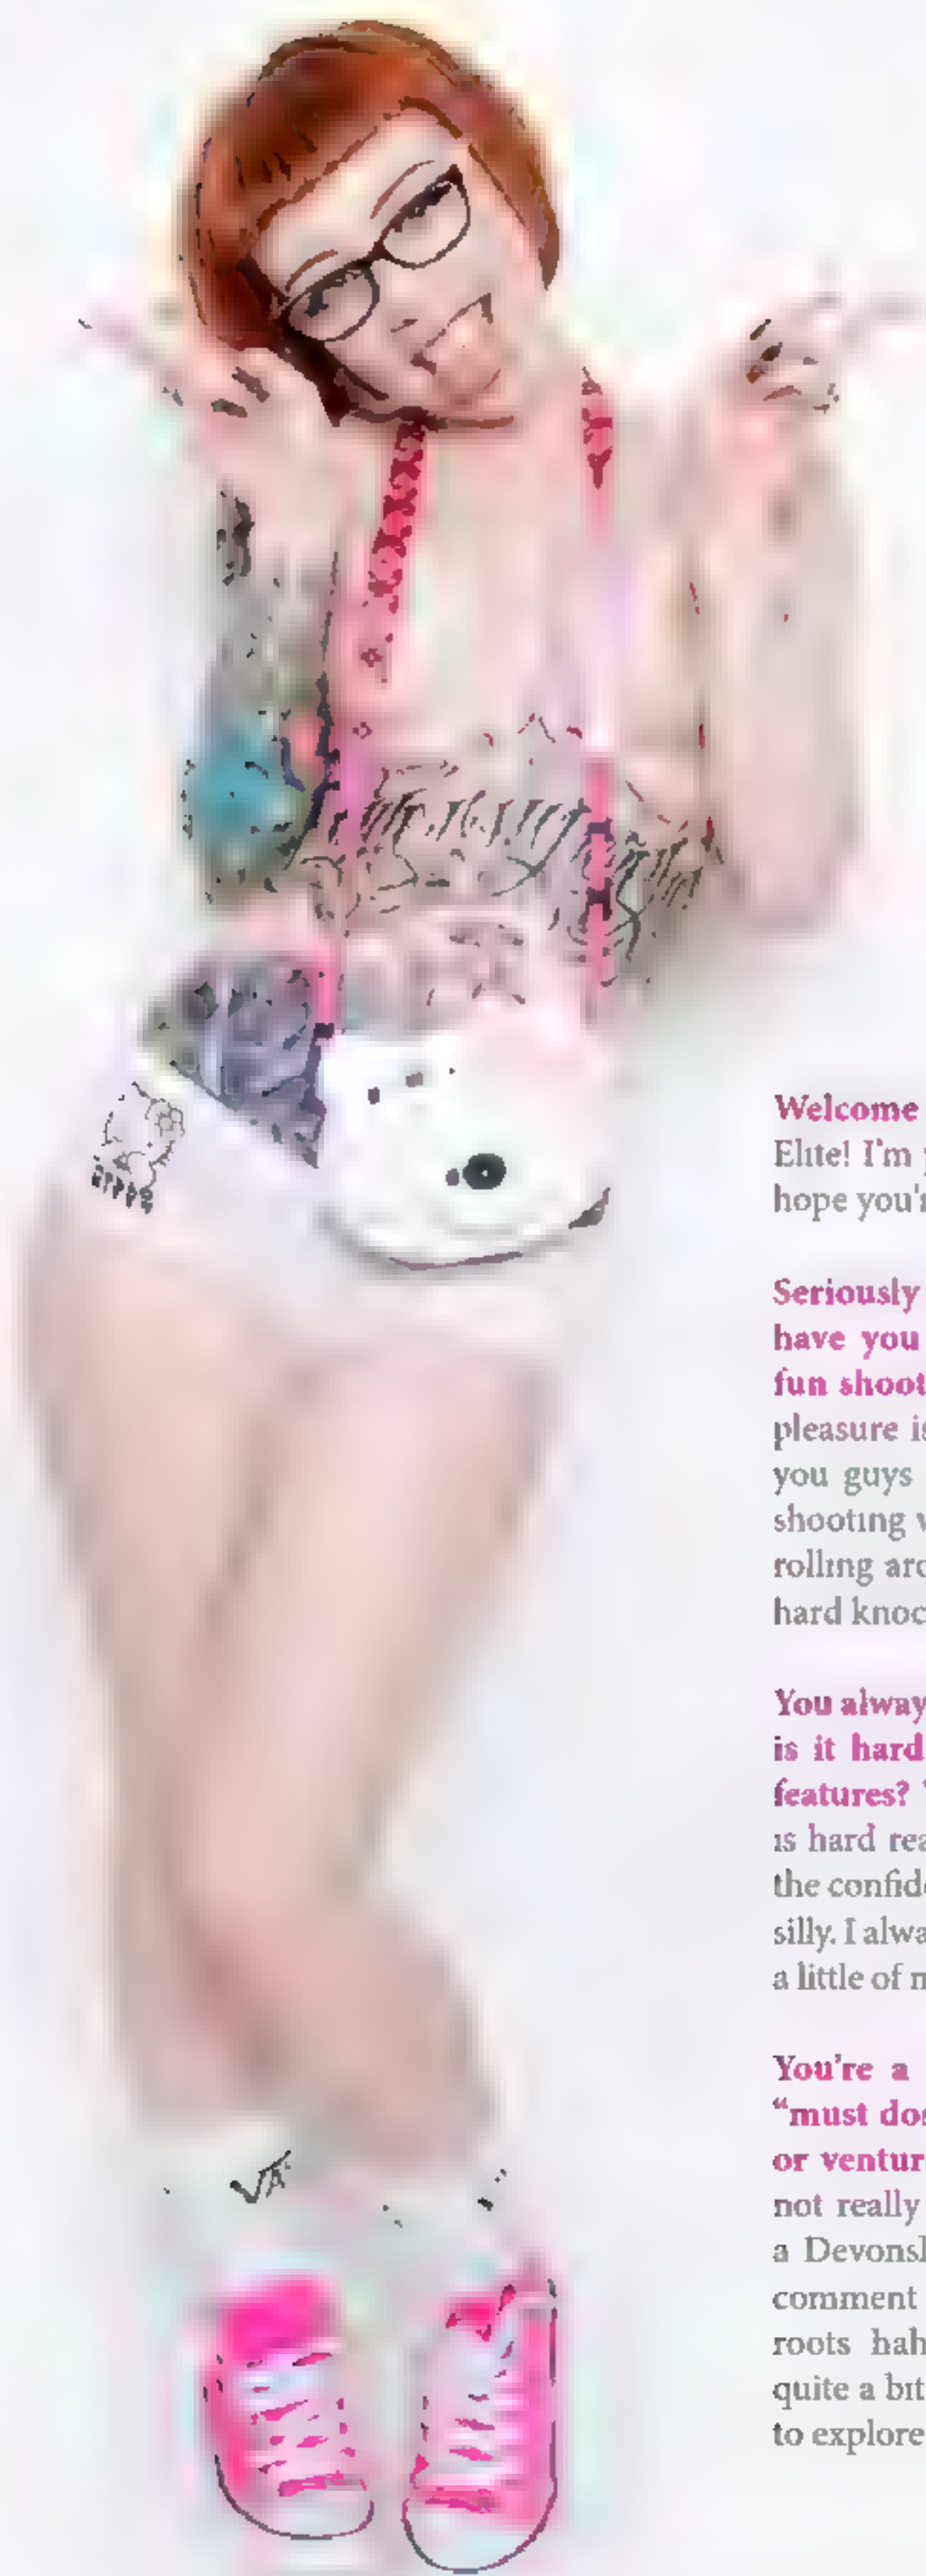

Photographer: [illegible]

Wore: [illegible]

Shoe: [illegible]

Welcome back Sian, how are you? Hey Elite! I'm pretty damn good thank you. I hope you're all well and good :)

Seriously though, we're so thrilled to have you in Elite Sian. Did you have fun shooting for us? Honestly guys, the pleasure is all mine! I love working with you guys so much. I had tonnes of fun shooting with Tripodski eating pizza and rolling around a hotel room naked, it's a hard knock life right!?

You always seem so effortless on camera, is it hard reinventing yourself for new features? Why thank you! I don't think it is hard really, I think It's all about having the confidence to let go a little and be a bit silly. I always try and make sure readers see a little of my personality in a set.

You're a southern girl. What are the "must dos"? Do you stick around there or venture all over the place? Well I'm not really a true southerner I'm actually a Devonshire dumpling so I can't really comment without betraying my true roots haha! I get around the country quite a bit with work and stuff, I also like to explore Europe as much as I can.

WHAT IS LIKE TO GRACE OUR COVER FOR THE FIRST TIME? IT'S INSANE! I CAN'T BELIEVE YOU GUYS CHOSE ME OUT OF ALL THE BEAUTIES YOU FEATURE IN ELITE. IT'S A TRUE HONOUR.

It was clear from your last feature you have a great ass! Where does that come from? Do you have to work for it or is it just good jeans/genes? Haha well that's rather nice of you guys! I've always had a pretty large booty and so does my mum so I guess it's good genes. I even remember as a teenager, boys at school slapping it all the time. Which I obviously acted like I didn't like at the time...

You are without a doubt one of the coolest and nerdiest people we have met! Every time of the year seems exciting for you. You're always up to something. When is your chill time and what do you get up to? Aww you guys. I'm secretly hopelessly uncool haha, but I agree that I am always busy! I am either slaying hair or shooting really. In my down time I like to watch horror films and mooch into London and chill with friends.

Something you do wear with aplomb is your incredible ink. You are starting to pull off quite a collection. What is your favourite piece? I am fairly tattooed but not half as covered as I intend to be! Mwaha, my favourite piece is definitely my lady swan back piece by Will Thomson at Black Heart Tattoo in Epsom!

You are a bit of a hair queen now. Where do you find the inspiration for it all and have you got a favourite hairstyle? I'd be a failure of a hair stylist if I wasn't! I love colour, most of my inspiration for my work comes from day to day things like landscapes flowers and animals etc. My own hair has been a rainbow over the years but I think I'll be sticking to the ginge for a while now though as I'm pretty much a natural red head anyway.

With that in mind, which celebrity do you think has the best hairstyle at the moment (bet you've never been asked that before)? I'm actually really rubbish with following celebrity hair trends as I think a lot of them are pretty samey but saying that there are a tonne of bloggers I'm following at the moment that I'm loving, hair jewellery and glitter root trends are super fun! And I can see it sticking around for the festival season.

Someone once asked me to describe "incredible" in two words and I said Sian Marie. You're a definite icon of incredible. Do you see yourself as an incredible person? Oh. You. You cutie patootie. Talk about asking me to blow my own trumpet! I would say I'm a honest down to earth girl, but I'm flattered you guys think I'm incredible!

Being a fan of Hello Kitty, are you also a fan of other Asian cultures that have passed over to the UK? Well, I was actually born and brought up in Hong Kong until I was 5, so I think that's where my Hello Kitty obsession has stemmed from. I'm also a big fan of Pokemon, my fiance has even nicknamed me Jiggly Puff Cute huh?

Inspiration is important to you, be it comics or books. What is inspiring you at the moment? I think I'm getting lots of inspiration from the people around me at the moment. I'm lucky to have a real creative, successful bunch of chums.

Are you a homebird or someone that prefers a night on the town? Home bird! I've had my years of going mad on the town and whist I'm partial to a mad one I much prefer a sleepover with my girls, bottle of wine and a takeaway

It's been a pleasure Sian. What are you up to after this interview is done? The pleasure has been all mine! I've got the evening off some I'm going to eat the world and watch the Walking Dead. Wild right?

Photographer: Tripodski

WHAT IS THE MOST BRITISH THING YOU DO?
I DON'T THINK I DO ANYTHING OUTLANDISHLY
BRITISH, I DON'T EVEN DRINK THAT MUCH TEA.

ALYSHA SIDAWAY

Hey Alysha! Welcome to Elite. How long have you been modelling? Hey Elite, I have been modelling almost a year now

What was it like to work with Nick on this shoot? It was a quiet fun shoot to do. He's such a lovely humble guy to work with and gave good direction

What was your favourite part of the shoot? My snack break. Food is my favourite part of anything

What's your favourite part of your body and why? My eyes definitely. I can say something cheeky without saying a word at all

On a scale of one to ten, how good looking are you? A solid 9.2, because no one can be that perfect

If you could model for any brand, product or company, which would it be and why? If I was taller. Victoria Secret for sure. I just want my own wings.

You're hosting an Elite sponsored jelly wrestling competition. Which four celebrity combatants will you book and why? Miley Cyrus vs Justin Bieber
It would be funny to see twins wrestle and Emily Rataikowski vs Adriana Lima because who doesn't want to see two hot models jelly fight.

What's your favourite song currently?
I don't know by Alison Wonderland

What would you like Elite readers to take away from your pictures in our illustrious mag? That I'm a little more than what meets the eye.

What's a guaranteed turn on for you?
Sweeping my hair to one side and kissing my shoulders always tells me you're down.

Describe your perfect photoshoot.
Somewhere with clear water, white sands and not much to wear.

How do you stay in such good perfect shape? Exercise? Diet? Genes? Or luck? I try to train every day but it's turned into three times a week. I eat reasonably healthy, even though I eat out for every meal.

Aiyla Beau

Hey Aiyla! Welcome to Elite, tell us a bit about yourself: My name is Aiyla Beau, and I live in Maida Vale in London, and I've been modelling for around 5 years now.

I'm also an exotic dancer, working all over, from London to Newcastle, when I'm not shooting or dancing I'm also a realism artist working towards having my first individual exhibition nearer the end of 2016.

I love dogs, anything Japanese and getting freaked out by fucked up supernatural horror movies, a lot of tartan cinema type of stuff

We'll start with the burning existential question... What bra size are you? Haha a burning question indeed, I'm a 32E.

What was it like to work with Tripodski on this shoot? It was so much fun, he's a really nice guy very professional and knows exactly how to get some killer shots.

**WHAT'S A GUARANTEED TURN ON FOR
YOU? EASY, HAVING MY ASS GRABBED
AND MY NECK BITTEN AT THE SAME TIME.**

Photographer Tripodski

What was your favourite part of the shoot? Hmm definitely the part where we were dancing to the my little pony theme tune!

What's your favourite part of your body and why? Either my ass or my eye. When I'm at work it's normally one or the other that wins guys over.

What's your favourite item of clothing? That's tricky as obviously not all items are suitable for all occasions but I'm gonna go with a killer pair of shoes.

What does it mean to you to join the Elite family? Well there have been so many effing fitties that have already graced the pages it's an honour to be welcomed into the family.

Photographer: Tripodski

How did you come to become a model? A long time ago, before being an alt model was really a thing. I loved the girls on mags like Skin Deep and Tattoo Time and decided I wanted to try it out for myself.

If your love life was an animal, which would it be? I'd have to say a dog haha, 'cause I'm loyal, very playful and cheeky, but I can still rip you to pieces if I desire.

What's the weirdest location/prop you've had on a shoot? 5000 My Little Ponies, I was in a sea of them, to say it was weird? Maybe but it was fucking awesome.

How do you stay in such modelly perfect shape? Exercise? Diet? Good genes? Or luck? I can't eat wheat and don't eat much dairy, or red meat. I weight train a couple times a week, my part time job as an exotic dancer also keeps me pretty trim.

WHAT WOULD YOU
LIKE ELITE READERS
TO TAKE AWAY FROM
YOUR PICTURES IN OUR
ILLUSTRIOUS MAG?
THE BEST THINGS
COME IN PAIRS ;)

You're hosting an Elite sponsored jelly wrestling competition. Which four celebrity combatants will you book and why? **Book Wanya, Diddy, Madonna, Britney, and I would love to have the guys on the show like Chris Rock, Eddie Murphy, and even crazier Russel Brand and Noel Fielding because they would be nuts, and well I'd just like to meet them haha.**

What's your favourite song currently? **Planet Caravan by Black Sabbath.**

What's a guaranteed turn on for you? **A deep stare, kisses and nibbles on my neck and oh yeah the smell of beer on your breath and a lick and nibble on my ear. I know I am little bit strange.**

Describe your perfect photoshoot. **Supplied with tea, food, treated like a princess, lots of amazing outfits, crazy props and energising music on the go. A hot tub and other sexy ladies to model with.**

How do you stay in such modelly perfect shape? **Exercise! Diet! Good genes? Or luck? I don't think I'm that in shape at the moment! I want to get my ass back to the gym, though I do find it's easier to stay little being a veggie.**

What do you like most about Elite? **That Elite is always awesome to work with, has so many lovely ladies featured, and I get to work with lovely people because of Elite.**

HEATHER & TASHLEA

Photographer: Tripodski

Hi Ashlea, welcome to Elite! How did you enjoy the shoot? The shoot was amazing! I had a great laugh, produced some great images and sang along to a lot of guilty pleasures. I have wanted to work with Elite since I ever started modelling, so it was a huge honour!

What was it like to work with Tripodski on this shoot? Tripodski was lots of fun! He made me feel super comfortable and is a fantastic photographer! We had a sing a long photoshoot!

What was it like to work with Heather? Heather is an ultimate babe! I have known her for a long time from modelling and performing, so it was guaranteed fun! They always say blondes have more fun ;)

So how can a guy impress you? The thing I find attractive in a guy is someone who knows exactly who they are. Independent, intelligent and being handsome always helps <3

Who was your favourite model of 2015? Gina Harrison is definitely my favourite model of 2015. She's magical and I'm so intrigued by her beauty and style I feel she can bring a different character to every shoot and nail it! Beauty beyond belief <3

**WHAT'S
YOUR BEST
FEATURE?
THE BOOTY!**

Photographer Tripodski

What's Heather's best feature? Heather has a lot of great features, she's definitely one of my biggest woman crushes. So if I have to pick one I couldn't, it would just be her super hot body! Damn girl!

What was the funniest thing to happen at the shoot? Definitely singing along to Sisco, Daniel Beddingfield and possibly Craig David? Haha I think we would make a great 90s tribute band!

Outside of modelling, do you have any other passions? I have lots of passions and interests in my life including art, fashion and music. Music is a huge part of my life... it shapes my world! It's all about the Rock and Roll baby

Photographer: Tripodski

**WHAT'S A GUARANTEED TURN ON FOR YOU?
A MAN WITH LONG HAIR. DRIBBLE.**

What is the naughtiest thing you've done? I remember sneaking into town on a night out with friends at the age of 14 with a fake ID. I was loving life till I noticed my dad and all his friends on the dance floor! I had to make a run for it and onto the next club. If he'd have seen me I would have been grounded for life! Don't even think he knows till this day! Also had my first tattoo at 15 and hid it for 3 years!

Beards Yes or No? Yes and no. The beard has to be right and well groomed. I am a great lover of facial hair and beards but came up with the theory of beard goggles always make sure you look at the face behind that beard! It can hide a lot!

What's the worst idea you have ever had? Feeding my fish aftershave by accident. I was very young and a great lover of animals! <3

Finally, is there anything you would like to say to the Elite readers? It's nice to meet you! Hope you enjoy mine and Heather's images as much as we did shooting and hopefully see you again very soon! All my love!

**MALICE LINGERIE/

**MALICE LINGERIE/
HARNESS FROM £35.00**

Hi Heather, welcome to Elite! How did you enjoy the shoot? I enjoyed every second of it. Just like last time, it was such a laugh. Great 90's music on, nerdy Game of Throne talks and just general fun times.

What was it like to work with Tripodski on this shoot? This is the second time working with Tripodski and he is brilliant! Such a talented man and very professional. Always happy to work with him again in the future.

What was it like to work with Ashlea? It was amazing! She is such a beautiful person inside and out.

What's your best feature? I hate this question haha. I would say my lips. Also my hair when I have my Lavish Luxury hair extensions in. I love them!

Photographer: Tripodski

**WHAT'S ASHLEA'S
BEST FEATURE?
HER BUM! I
SWEAR I SAID IT
TO HER HUNDREDS
OF TIMES DURING
THE SHOOT.**

**MALICE LINGERIE/
HARNESS FROM £35.00**

What was the funniest thing to happen at the shoot? There was so many funny bits. Looking through the images there is a lot of outtakes of us both giggling away and I can't remember why, but something definitely tickled us.

Outside of modelling, do you have any other passions? I love to perform my fire and fetish acts on stage. I also love animals, and I have a lot of time for them.

So how can a guy impress you? I like the good old fashioned romance. Opening doors for me, and been met with a bunch of flowers for no particular reason. A fantastic sense of humour. Also a passion and the drive to do something with his life

Who has been your favourite model of 2015 so far? I have recently been girl crushing on Siân Marie (IG @justsaveyourscissors) and loving everything she is doing.

What is the naughtiest thing you've done? Haha I'm not very naughty. I'm a lady on the street.

What's a guaranteed turn on for you? Honestly, with my other half been away in America for so long, and I finally see his face again.. He really doesn't need to do a whole lot to turn me on. But when we are home and one of us puts a certain kind of music on, we know what's about to happen ;)

Beards - Yes or No? Yes yes yes!!

Finally, is there anything you would like to say to the Elite readers? Check out my IG @heatherdvine and see what 2016 has in store for me XOX

SAM PIXIE

AND HER KINKY BOOTS

HEY SAM! WELCOME TO ELITE, TELL US A BIT ABOUT YOURSELF: HEYA! WELL I'M 23, I HAVE A CAT CALLED CHARLIE WHO IS PURE WHITE AND TWO DASCHUNDS CALLED MONTY AND STAN (THEY ARE FATHER AND SON). I USED TO BE TERRIFIED OF DOGS UNTIL WE GOT MONTY (FOR NO REASON AT ALL, I LOVE ANIMALS, I'M JUST ODD).

Photographer: Mike White

We'll start with the burning existential question... What bra size are you? 32C (or a 30D, depends on the shop really)

What was it like to work with Mike on this shoot? It was fun! It's our 4th shoot so we know what to expect from each other and always get great shots.

What was your favourite part of the shoot? Hard question! ;) Probably the fact that I got to do it inspired by 'Kinky Boots' which is my favourite movie... For some reason I really identify with a drag queen, maybe it's that we both just really love shoes!

What's your favourite part of your body and why? The geeky answer is my brain! Haha... I just finished a degree in classics this year (learning Greek, Latin and ancient history) and will hopefully go onto more study in the future! If you want the less geeky answer, my butt. Obviously ;)

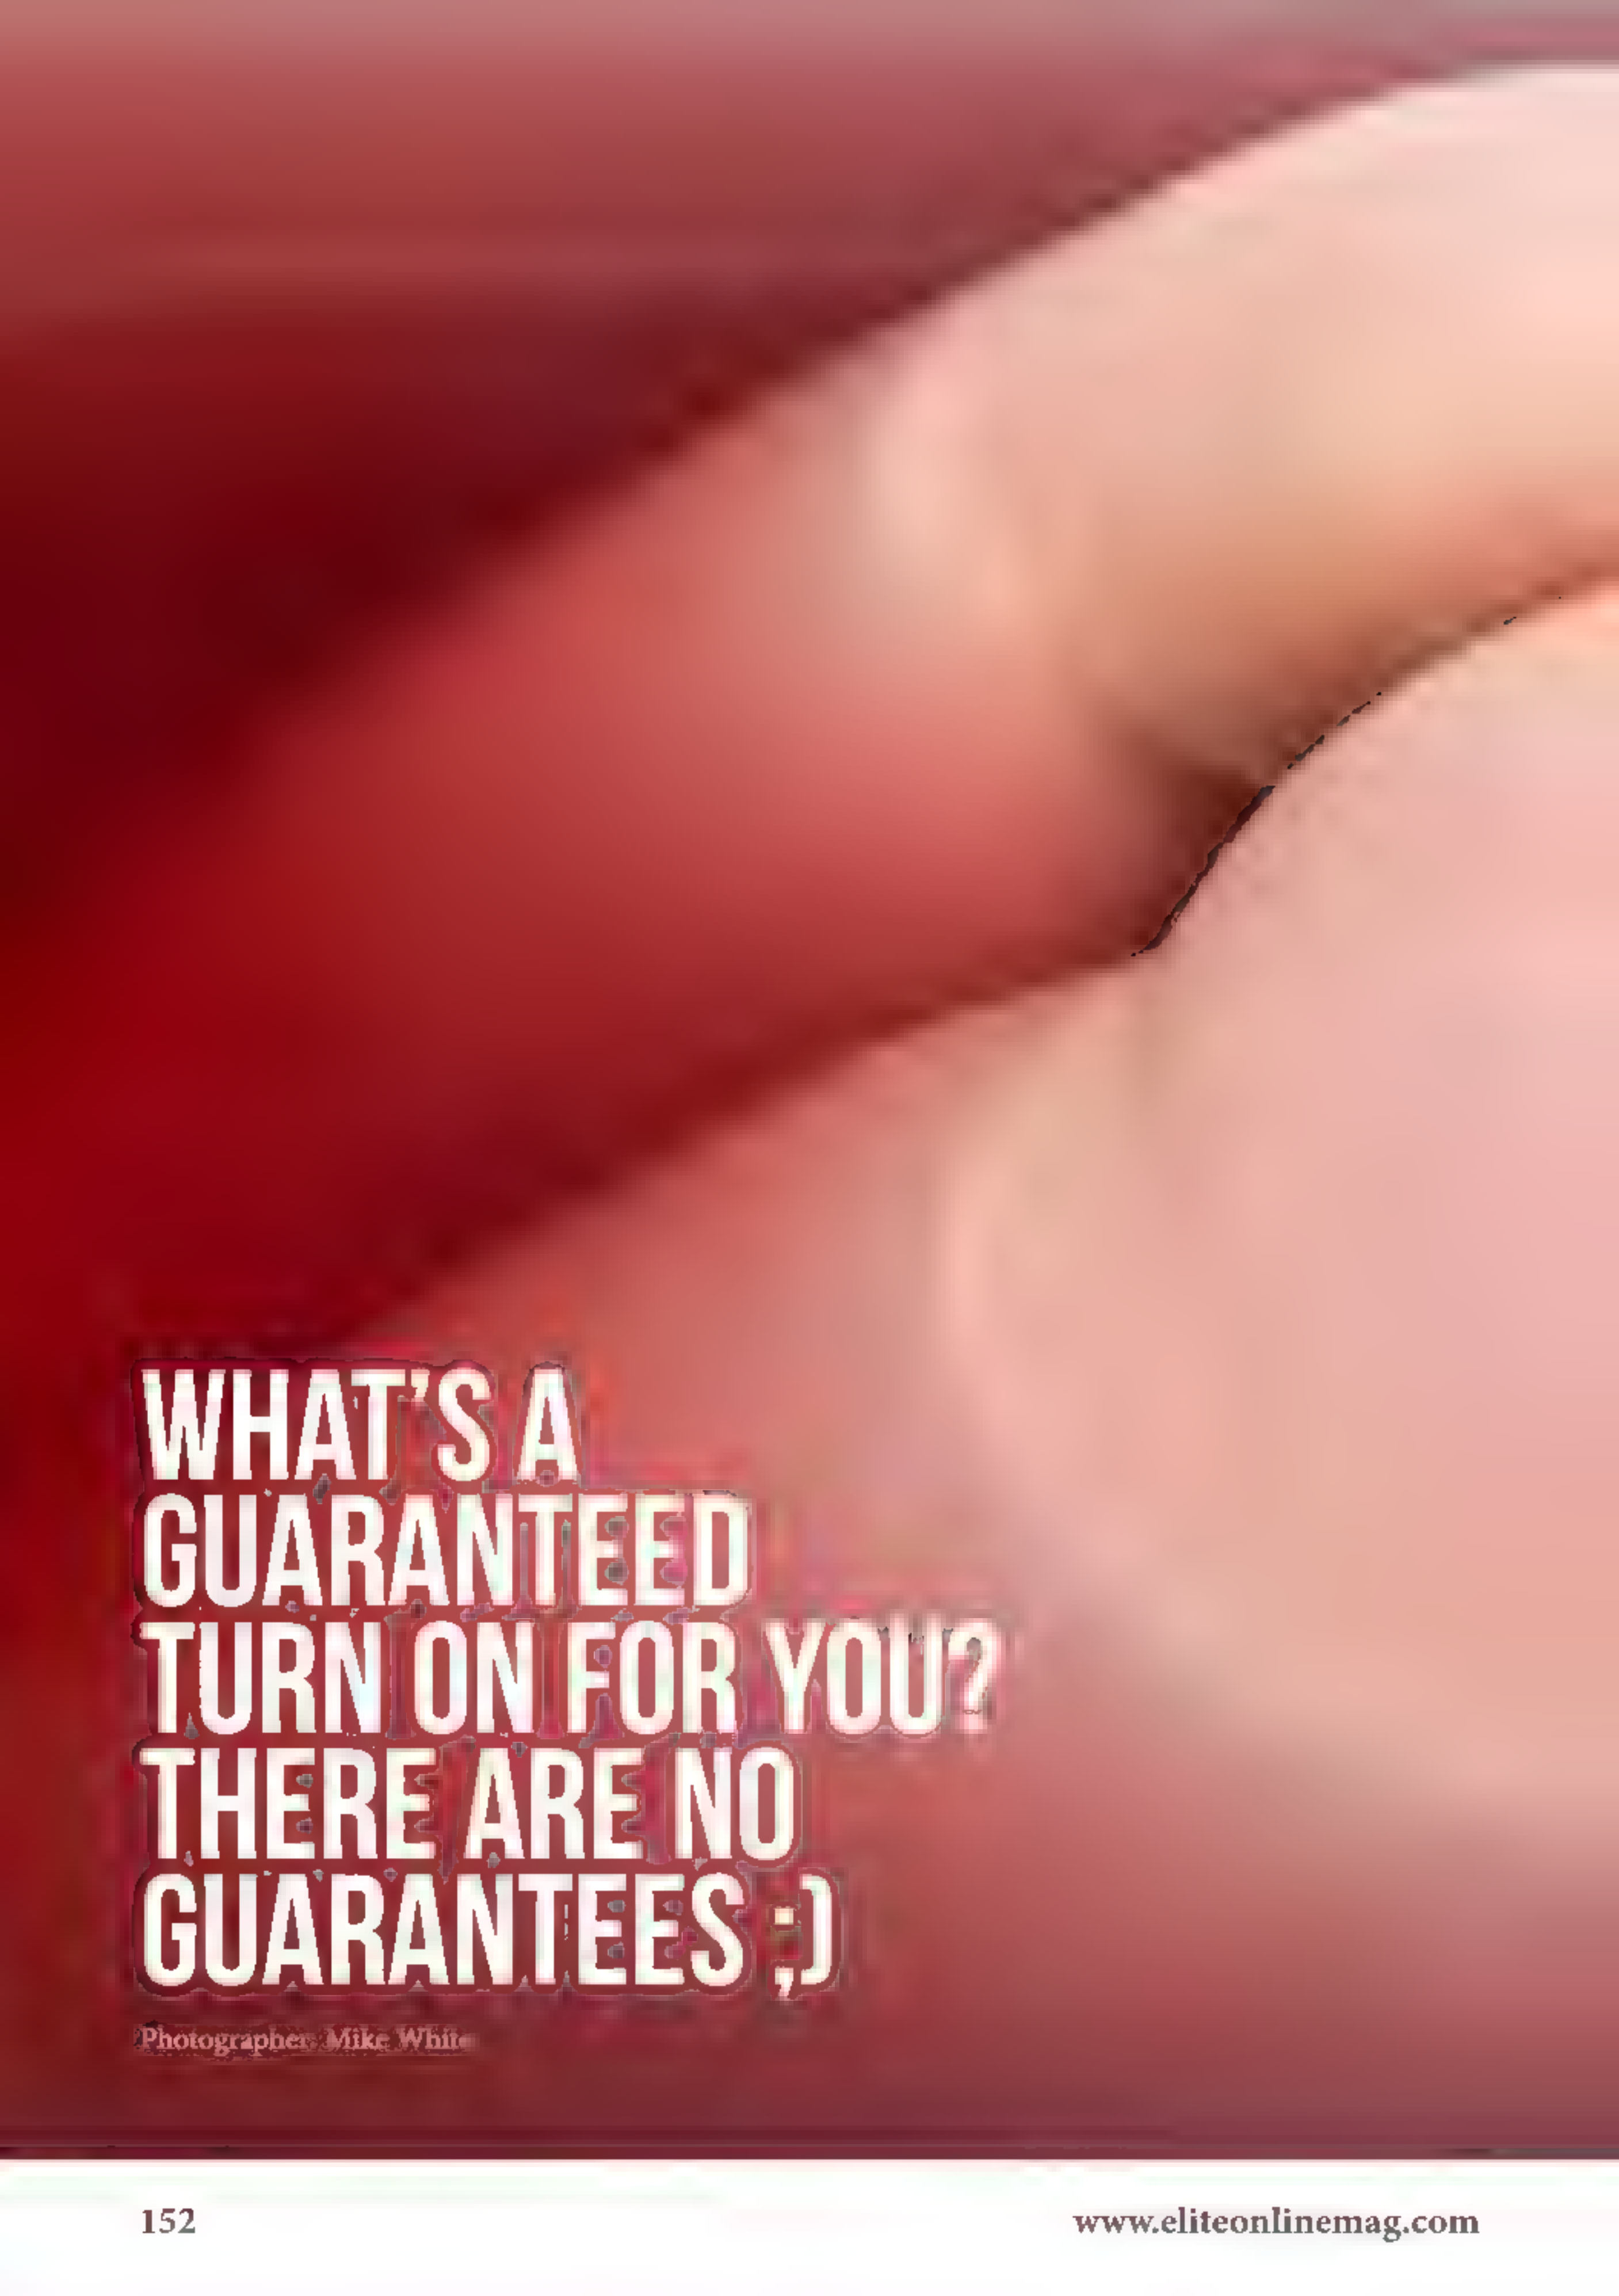

What's your favourite item of clothing? Since I've already mentioned shoes... That would have to be my 'Wednesday Addams' style dresses. I have about 7/8 now as I can wear them to work, wear them out and always be a goth!

What does it mean to you to join the Elite family? It's really exciting. I haven't been modelling long and don't know anyone else who is, so it's exciting to be invited to be part of a community.

How did you come to become a model? I've only been doing it since August 2015! I had my first shoot with Mike actually and thought I would just have pictures to look at when I'm older (I've never really been that confident in my body). However, I found I really enjoyed it and couldn't wait to do more, now I've had more than I can count and still enjoy every moment! I've really grown in confidence in a few months :)

**WHAT'S A
GUARANTEED
TURN ON FOR YOU?
THERE ARE NO
GUARANTEES :)**

Photographer: Mike White

Elite have HYPOTHETICALLY agreed to buy you some new underwear, where would you send us to get it? Ann Summers I think. I always get my undies there, they have a good fit and some really sexy stuff!

Yes or no, have you ever seen the film "The Empire Strikes Back"? Yes, but I would rather be in Middle Earth than a galaxy far far away.

If your love life was an animal, which would it be? A cat

What's the weirdest location/prop you've had on a shoot? That would be getting naked in a harbour in Spain, swimming out to sea, climbing onto a sharp rock face and draping myself over it for some art nude, while a bewildered Spanish family watched... Maybe they enjoyed the show? Haha.

How do you stay in such modelly perfect shape? Exercise? Diet? Good genes? Or luck? I would love to say genes or luck, but it's actually hard work, I go to the gym 5/6 times a week and have a healthy vegetarian diet.

What do you like most about Elite? Sexy ladies of course, and the fact that they are of all shapes and sizes and all equally beautiful.

Finally, is there anything you would like to say to the Elite Readers? This was my first interview so thanks so much for reading and I hope you enjoyed it and my pictures! Have a lovely 2016 and I hope to be back ,) In the mean time, feel free to keep up with my social media!

RACHEL GRACE

Photographer: Jack Russell

Hey Rachel! Welcome to Elite, tell us a bit about yourself: Hey guys I'm Rachel, 23 year old, former BMX rider turned snowboarder and I love to travel and do crazy things. I am a bit of an online gamer and love taking photos of anything and everything

How long have you been modelling? I've been modeling on and off for around 3 years now. I love it I have made so many great friends since starting out.

What was it like to work with Jack on this shoot? Working with Jack was so much fun, he's such a laid back dude. It was my first time working with him He offered me a cuppa pretty much as soon as I arrived, which is always a good sign. Would LOVE to work with him again.

What was your favourite part of the shoot? What other than the tea? I enjoyed myself the whole day.

Jack made feel very chilled; we had a good chat about pretty much everything.

On a scale of one to ten, how good looking are you? I don't wanna not answer this question but I also don't wanna sound big headed. I'm going to say I'm a 6 maybe? Just because I know there are certain things I'd change about myself. Plus everyone has their own opinion

If you could model for any brand, product or company, which would it be and why? There is a long list, but because I'm short I know I have no chance with certain companies. I'd love to shoot for Agent Provocateur but then again who wouldn't? Victoria Secret is also high on the list. The Great Frog would be an awesome company to model for too, the jewellery from there is to die for.

What's your favourite part of your body and why? Hmmmm, this is such a hard question. I am going to probably say... My legs just because they're my most tattooed body part. Always adding something new to the collection

PHOTOGRAPHER: JACK RUSSELL

You're hosting an Elite sponsored jelly wrestling competition. Which four celebrity combatants will you book and why? I think I'd invite, Chris Hemsworth because he is Chris Hemsworth need I say more? J Law because she seems like the kinda person I'd just be friends with straight away, the kinda person who would have your back. Kevin Hart for the reason that I think he is the funniest person ever. Lastly I'd invite Daisy Ridley, she seems like a rad person plus as she has been in Star Wars I'd have so many star wars questions for her. I'm sure it'd get pretty crazy

What's your favourite song currently? My favourite song at the moment would have to be, Hozier - Work Song. It's just such a good one reminds me of my summer

What would you like Elite readers to take away from your pictures in our illustrious mag? I am not sure. I just hope everyone likes the photos me and Jack have created together.

A close-up, soft-focus photograph of a woman lying down. She is wearing a headband with a large, colorful floral arrangement. Her eyes are closed, and she has a serene expression. Her hand is visible near her face, with fingers slightly curled. The background is blurred, showing more of her body and the floral headband.

What's a guaranteed turn on for you? My man's great smile. When we laugh together it's just such a nice feeling to be happy with someone who loves you as much as you do them **CHEESY**

Describe your perfect photoshoot. My perfect shoot would be something creative and crazy. Get my makeup and hair done by someone who knows what they're doing and then lots of colour involved, or maybe fancy dress like Star Wars themed. I do love a themed shoot!

How do you stay in such modelly perfect shape? Exercise? Diet? Good genes? Or luck? I'm definitely struggling while back in the UK. When I'm in the sunshine it's so much easier to train and eat well. Bring on April!

Photographer: Jack Russell

**WHAT DO YOU LIKE
MOST ABOUT ELITE?
THE CHICKS! ALSO,
HOW CHILLED

Finally, is there anything you would like to say to the Elite Readers? Thanks to all the support I get from everyone who is reading this and all the lovely comments I get over my pages & Instagram. Keep smiling you guys and hopefully you'll see more of me throughout 2016 <3

BEXCISION!

WITH CHRIS CROSS

Photographer: Tripodski

Hey Bex! Welcome to Elite, tell us a bit about yourself: I'm half goth, half hippy, half asleep! Liverpool girl born and bred, although I lack the accent to back it up. I sometimes sleep with crystals underneath my pillow and have a bit of an obsession with blood

Aside from modelling I perform in Monster Cirque, and the newly formed Hellter Skellter. Just your average fire eating, angle grinding, stilt walking coffee shop girl - What can I say, I like to stay busy!

How long have you been modelling? On and off for around 3 years now! I started off doing a lot of fashion and creative shoots, but since gaining a bit of weight I've been able to do a lot more glamour type stuff which I really enjoy! You can find me flashing regularly on SuicideGirls.

What was it like to work with Tripodski on this shoot? Great! I hope to do it again soon ^_'

What was your favourite part of the shoot? The wonderful company of course! And the fact that Chris Cross made me float, that was pretty fun/terrifying!

What's your favourite part of your body and why? My left thigh! I know that sounds odd, but it's because it has one of my favourite tattoos on it haha! It's a Captain Spaulding portrait I had done by Craig Garner at The Devils Club in Liverpool. I have such a weird obsession with skin. It's my favourite part of everyone.

If you could model for any brand, product or company, which would it be and why? Killstar! They sell the cutest stuff that caters for my inner goth. I recently purchased a pair of ouija board underwear from them and now I need another 6 so I can wear them everyday.

Photographer: Tripodski

**DESCRIBE
YOUR PERFECT
PHOTOSHOOT. I
LOVE SHOOTING
WITH ANIMALS,
OR IN BLOOD!
BUT NOT
TOGETHER, THAT
WOULDN'T BE
VERY VEGAN...**

You're hosting an Elite sponsored jelly wrestling competition. Which four celebrity combatants will you book and why? Jennifer Lawrence, Evan Peters, Angelina Jolie and Scarlett Johansen. Do I need to even explain why..? Haha! *takes 20 minute time out*

What's your favourite song currently? I can't choose just one! I'm currently obsessed with the Anthems album by Pure Love though. Every song on there is awesome!

What would you like Elite readers to take away from your pictures in our illustrious mag? I hope you'll want to see a lot more of me!

What's a guaranteed turn on for you? The American Horror Story intro music haha! I also get turned on watching intense fight scenes in films, like the ones without weapons, where all it's just sweat and blood everywhere

How do you stay in such modelly perfect shape? Exercise? Diet? Good genes? Or luck? Since going vegan I've put on a stone and a half! I'm probably the worst person to advise on weight management haha. I'm quite lazy and eat what I want now. Life is too short, just be healthy and happy!

What do you like most about Elite? Elite has the best women! Each one is so different and you can see their personalities come through in their photos. And ass Lots of ass.

Finally, is there anything you would like to say to the Elite Readers? I hope your favourite song comes on the radio today :)

Claire Parker

Hey Claire! Welcome to Elite, tell us a bit about yourself. Hey Elite! I have only ever done this shoot for Elite. I was just starting out in my modelling career but I am very excited of what's ahead.

What was it like to work with Chris on this shoot? It was great fun working with Chris on the shoot. We had a laugh and I was very chilled.

What was your favourite part of the shoot? To be honest my favourite part of the shoot was the implied shots and feeling sexy in my underwear.

What's your favourite part of your body and why? Definitely my tits. I love them. Every girl should!

On a scale of one to ten, how good looking are you? I am a solid 8. I don't know. You can decide.

If you could model for any brand, product or company, which would it be and why? It would have to be L'Oréal, Sorel or Drop Dead. They are just perfect for me.

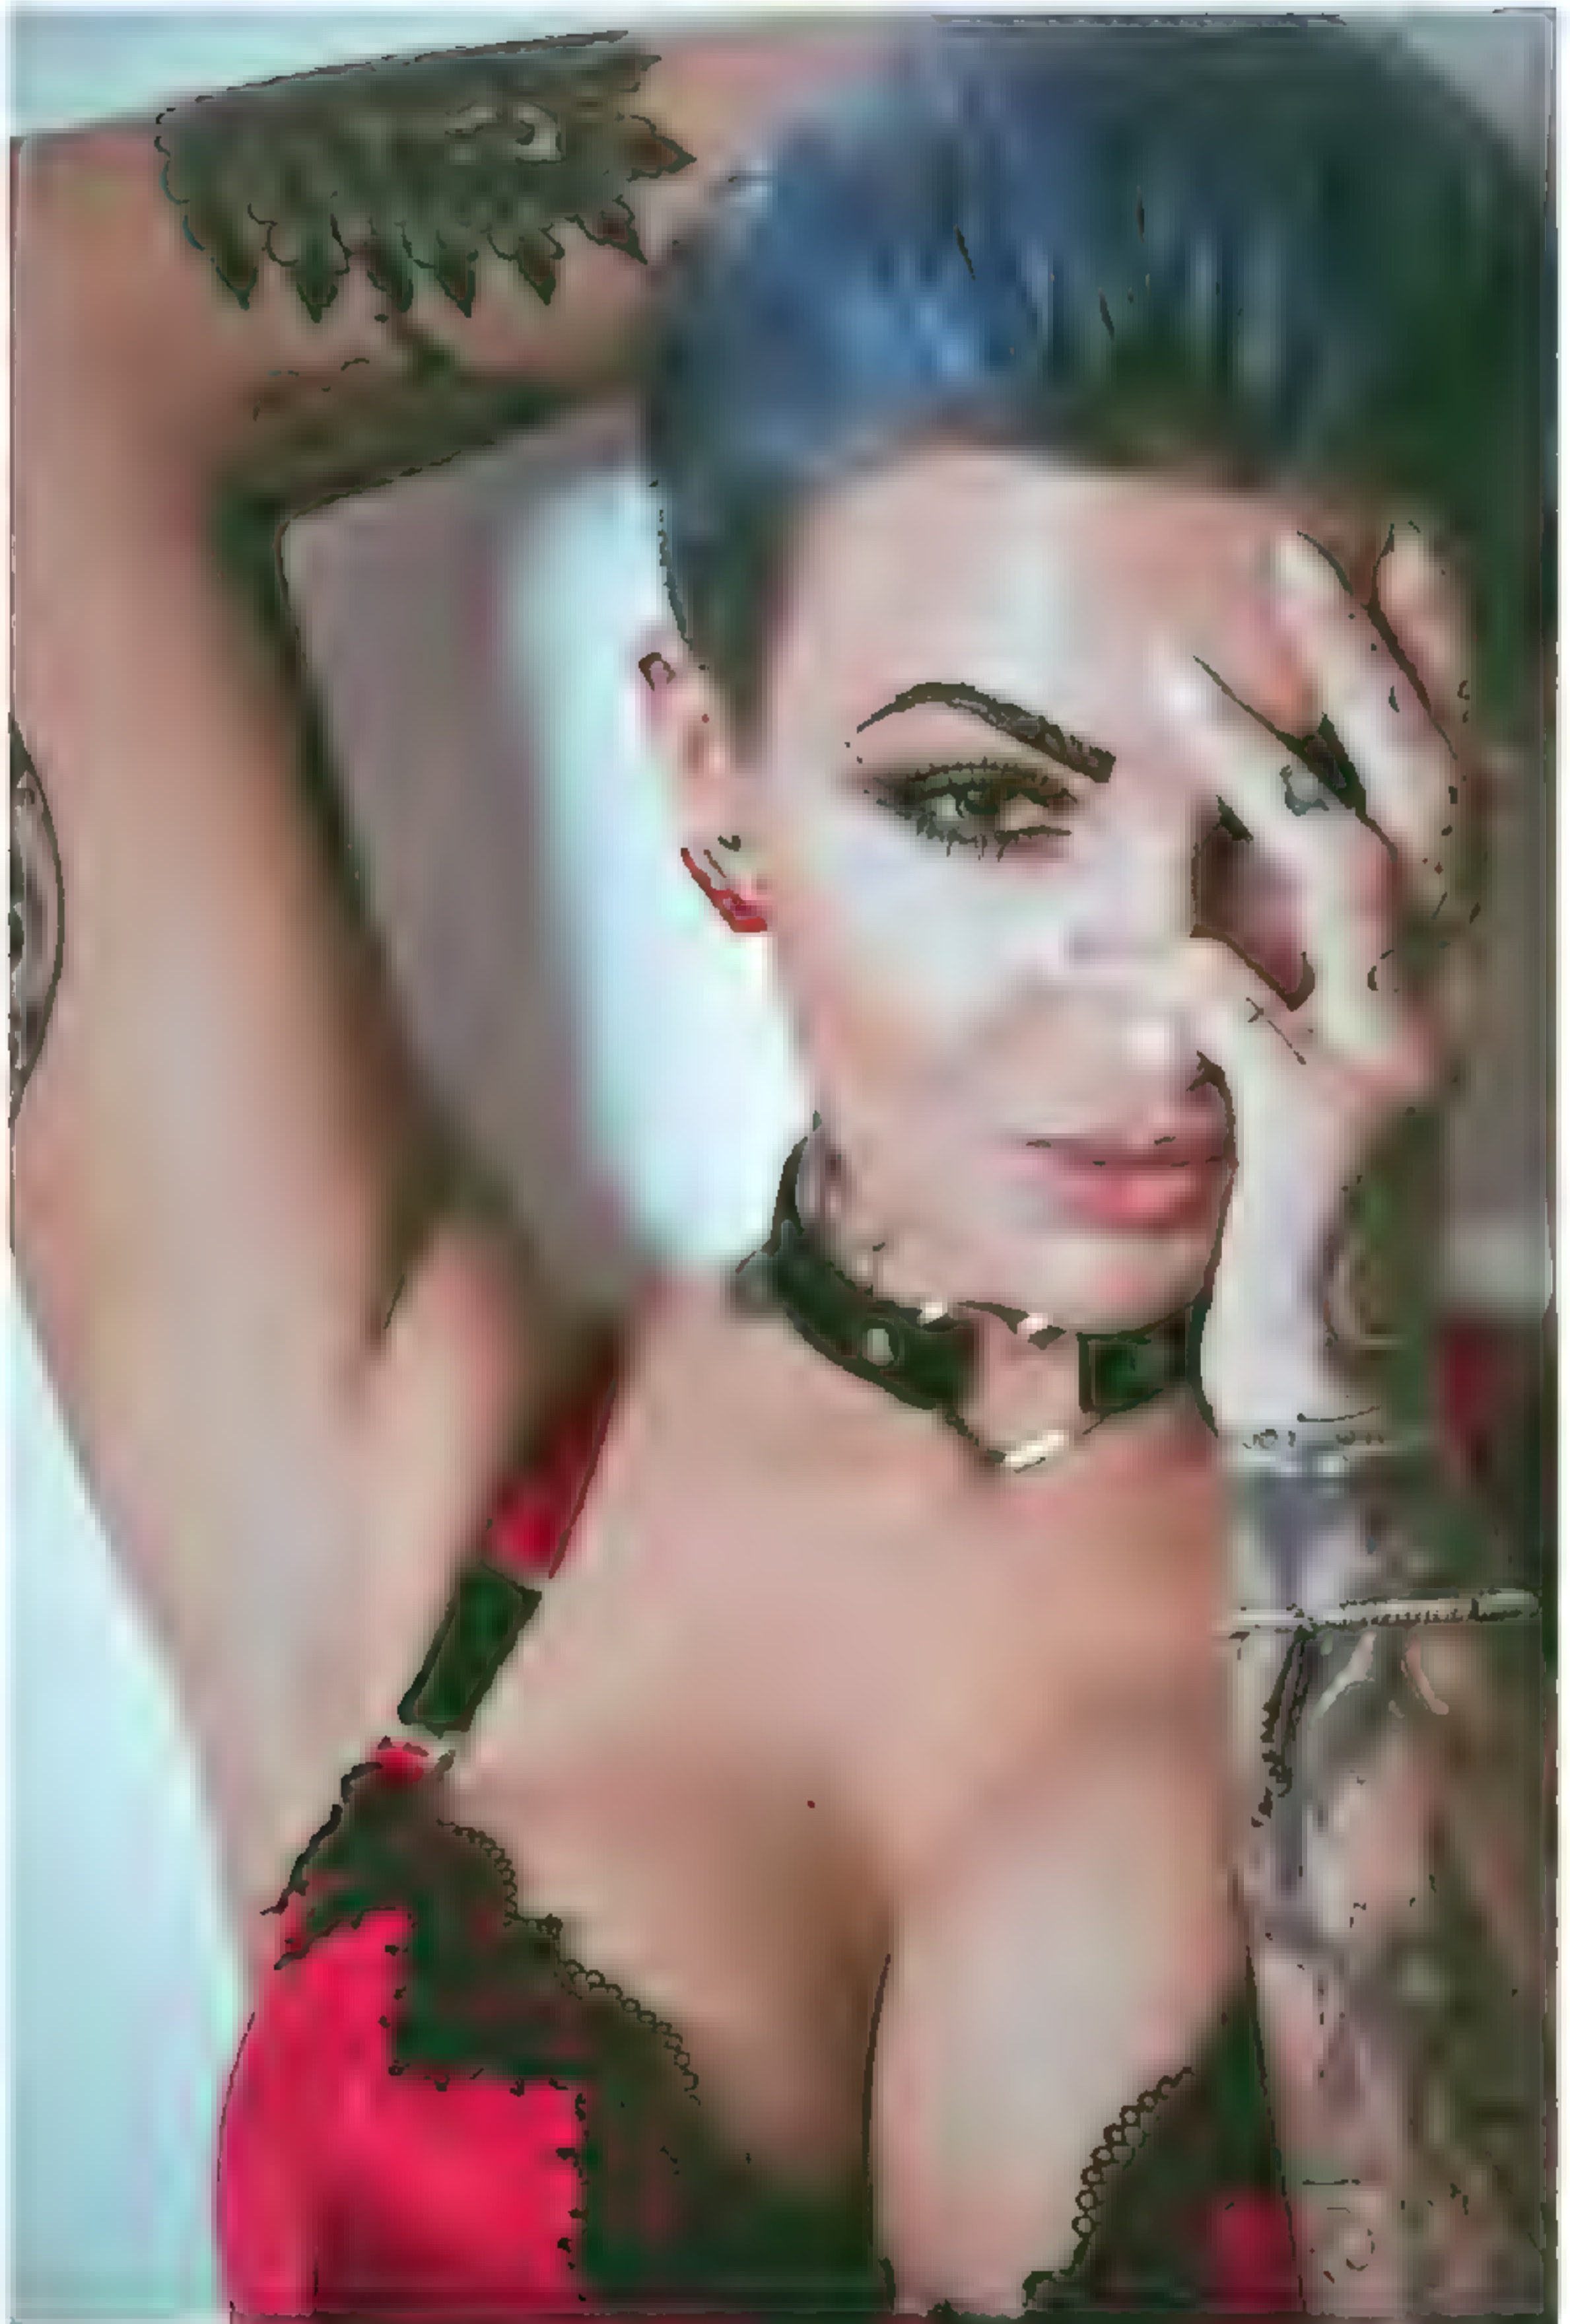

You're hosting an Elite sponsored jelly wrestling competition. Which four celebrity combatants will you book and why? Seth Rogen, Ruby Rose, Roland Moe and Johnny Knoxville. That would just be amazing!

What's your favourite song currently? It would have to be anything by De Antwoord. I fucking love them.

What's a guaranteed turn on for you? Oh, fair to say for me is a great fucking beard. YES!

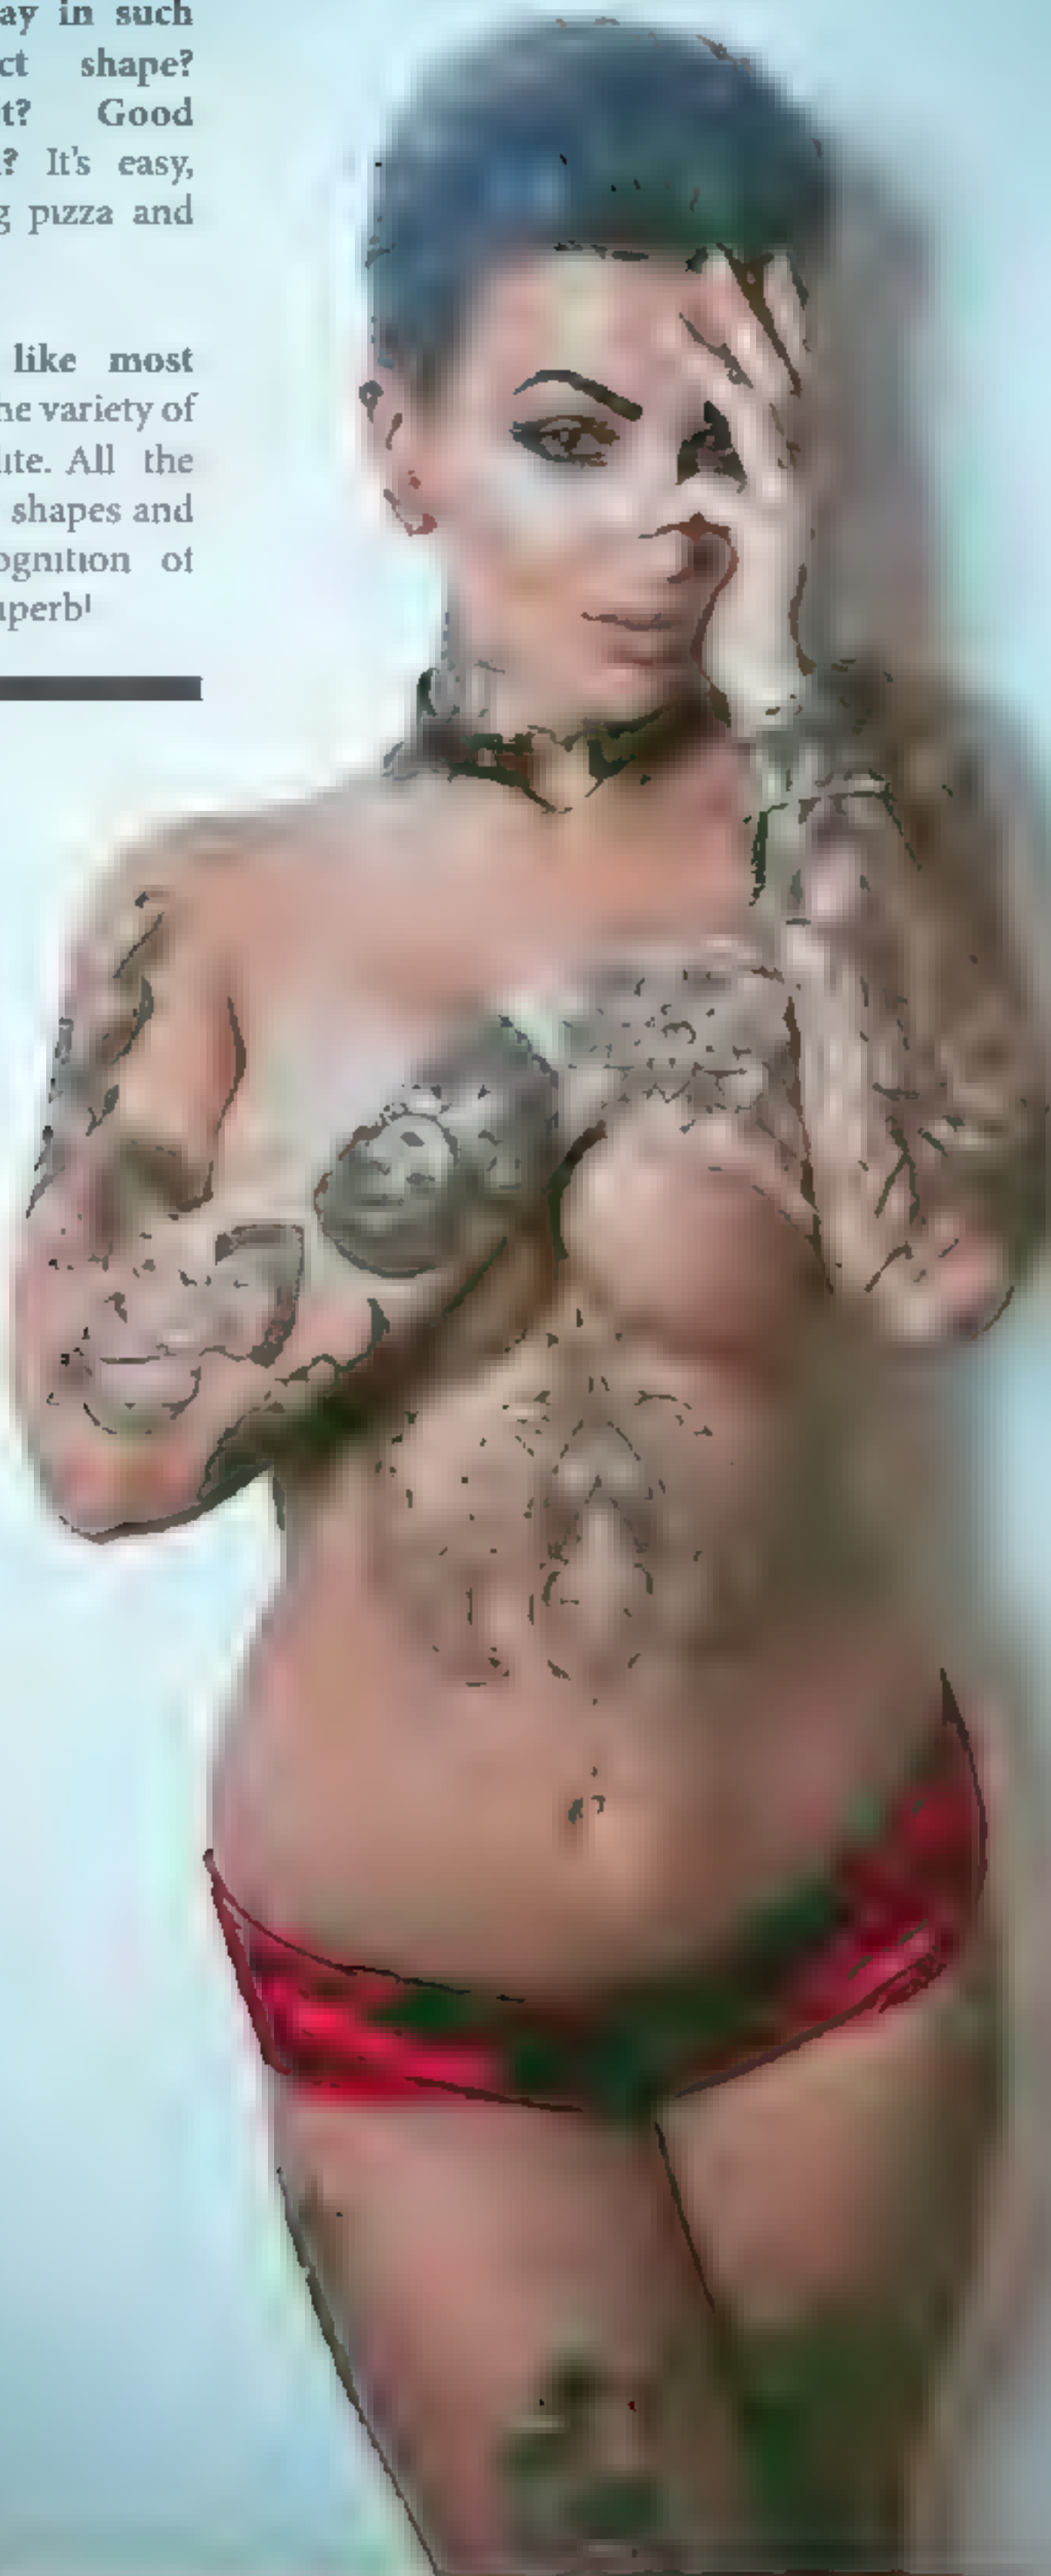

Describe your perfect photoshoot. It would be a half creepy, naked shoot like a twist on American Horror Story.

How do you stay in such modelly perfect shape? Exercise? Diet? Good genes? Or luck? It's easy, I do it by eating pizza and watching Netflix.

What do you like most about Elite? It's the variety of quirky girls in Elite. All the girls are different shapes and sizes. Your recognition of individuality is superb!

Photographer: Chris Beasley

Finally, is there anything you would like to say to the Elite Readers? It's been a pleasure working with the Elite team.. If anyone would like to follow me on my Instagram page to see what I get up to follow me on @claire_no_hair.
